RE: REQUEST FOR EXTENSION OF EXEMPTION 5119A

Regarding our earlier letter of petition between the Federal Aviation Administration and Chief Deputy Glen Vogler of the Washoe County Sheriff's Office dated March 6, 1989 and updated October 28, 1991.

This petition was approved on April 14, 1992, by your office, Mr. Thomas C. Accardi, Director, Flight Standards. Your Office granted the extension until April 30, 1994.

We again request exemption from 61.118 of the Federal Aviation Regulations to the extent necessary to permit those members of the Sheriff's Air Squadron to be reimbursed for fuel, oil and maintenance costs that occur during official search missions. We also request that exemption 5119 with amendments to allow transport of personnel to the scene of a rescue and administrative transport flights be approved.

Please call me at (702) 328-3357 if you have any questions.

Patrol Division
